SATURDAY, FEBRUARY 7, 1948

Commencing at One o'clock

AUCTIONEERS—John E. Halsey and Oscar Gustafson.

CLERK—James M. Dunn, Central Trust and Savings Bank.

TERMS—Cash. Except where other arrangements are made
before the sale.

FIELDMEN—Mervin Aegerter, Shorthorn World; M. T. White,
Wallace's Farmer; Clem Larson, Shorthorn Assn.

Announcement

At the time of making this, our sixth annual sale we find commercial cattle at an all time high, with a wider margin favoring quality than we have seen at any previous time. The use of good sires or the addition of a few choice females to the herd now, is more promising than it has ever been before.

To our production we have added a few good bulls of new breeding to make it easier for our old customers to select bulls which are not too closely related to their own cattle.

We hope these cattle will prove both pleasing and profitable in their new homes.

GUARANTEE—All bulls are guaranteed breeders when not used before 12 months of age.

All females are guaranteed breeders when not served under 16 months of age.

If an animal fails to breed, we must be notified within three months of date of sale and we reserve the right when so notified to have the animal returned to us for further trial. If it then fails to breed the purchase price will be returned, but if the animal breeds for us it will be returned to the purchaser at his expense.

All animals returned for trial must be in as good condition as when sold. No animals will be accepted for retrial from unhealthy herds.

Breeding dates will announced sale day.

HEALTH—Our herd has passed a negative test for Tuberculosis and Bangs disease within 30 days of this sale and health certificates will be furnished to comply with shipment to the destination of each animal sold.
